Beautiful Beginnings Midwifery

Though there's plenty of places to have your baby, many people choose have their baby right at home (hey, if it was good enough for Gisele Bündchen and Tom Brady ...), but wouldn't it be nice if there was someone you could trust to help "quarterback" the process without all the adrenaline. Enter Beautiful Beginnings Midwifery. Thanks to Certified Professional Midwife Amanda Prouty's tranquil demeanor, her helping hand has assisted many moms-to-be through a stress-free labor experience (relatively speaking of course).
